

EDUCATION DEPARTMENT[281]

Notice of Termination

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby terminates the rule making initiated by its Notice of Intended Action published in the Iowa Administrative Bulletin on August 24, 2011, as **ARC 9684B**, proposing to amend Chapter 22, “Senior Year Plus Program,” Iowa Administrative Code.

The Notice proposed to implement 2011 Iowa Acts, Senate File 470, section 12, which struck Iowa Code section 261E.8, subsection 5, providing that the parent or guardian of a student attending a community college under concurrent enrollment “shall furnish transportation to and from the community college for the student.” The proposed new rule stipulated that the provision of transportation is the school district’s responsibility because districts receive supplementary weighted funds for each student enrolled in a concurrent enrollment course.

After the Notice was published, the agency became aware of the need for further clarity from the Legislature about this issue.

The State Board of Education is terminating the rule making commenced in **ARC 9684B**.

After analysis and review of this rule making, no impact on jobs has been found.
